FROM

F. P. RENNIE, ESQ., I. C. S.,
FIRST ASSISTANT TO THE RESIDENT IN MYSORE.

To

The Dewan of Mysore.

Dated Bangalore, 28th February 1908

SIR,

I am directed to refer to Mr. Chandrasekhara Aiyer's letter Pol: No.1005 dated the 18th June 1906 regarding the emoluments and easements of officers of Government whose services have been lent to the Mysore State.

2. In reply, I am to say that the presumption in paragraph 3 of the letter cited above is correct, and that there is no objection to the arrangements proposed in paragraphs 4, 5 and 6 of that letter. Officers to whom Government tents are supplied should conform, unless otherwise directed by the Government of India, to the provisions of Art 1042 (b) of the Civil Service Regulations with regard to the adjustment of the cost of carriage of such tents. To this general rule an exception may be made in the case of Mr. Maconochie while accompanying His Highness the Maharaja on tour in the interior of the State. On such occasions he may be provided with tents from Government stores whenever they are needed, but he is only liable to be called upon to pay half the cost of carriage of one set of tents.

2. In the case of lent officers who occupy in the Mysore Service a higher rank or office than their substantive rank or office in the British Indian Service, the rates of travelling allowance admissible to them will be regulated by the rank or office they hold in the Mysore Service; *e.g.*, a first class officer in the British Indian Service holding the rank of a Conservator or Superintending Engineer in Mysore will draw travelling allowance at rates allowed in British India to a Conservator or Superintending Engineer.

3. As regards the supply of tents, Government consider that the scale prescribed in this respect for officers of the Mysore Government in Article 565 of the Mysore Service Regulations is suitable, and direct its adoption in the case of lent officers also. 4. With reference to the grant of increased rates of daily allowance and mileage for travelling in special localities, Government observe that the question of altering the provisions contained in Chapter XXXV of the Mysore Service Regulations to conform to existing conditions, is under the consideration of Government, and, pending such revision, the special rates of daily allowance prescribed in Article 634 of the Mysore Service Regulations, *viz.*, 50 per cent over the ordinary rates, may be adopted for journeys undertaken in the Kolar Gold Fields and in the Malnad tracts of the State subject to the limit mentioned in Article 1139 (i) of the Civil Service Regulations.

Government Proceedings No.G:2802-3/G.M.223-04-3 dated the 19th November 1904 appointing Lt.R.J.W.Heal as Tutor to the Yuvaraja.

2. Para (3) of Government Proceedings No.G.1066 8/G.M.279-06-17 dated the 2nd September 1907 directing the recovery from Lieut Heale's pay of 5 per cent per annum on the cost of one set of furhiture supplied to him, on account of the hire thereof.

3. Para 3 of letter No.1225dated the 28th February 1908 from the 1st Assistant to the Hon'ble the Resident in Mysore.

"It will be seen from my letter No.5432 dated the 19th August 1907 that the Resident agreed with the views of the Durbar as regards the charge to be made for the furniture supplied for the residence of Lt.Heale, late Tutor to the Yuvaraja of Mysore. It has, however, since been ascertained that the intention of the orders of the Government of India conveyed in this office letter No.5462 dated the 1st November 1904 was that Lt.Heale should be provided with a free furnished house. In such circumstances I am to suggest that the fixed annual charge of 5 per cent on the capital cost of furniture recovered from him may now be refunded".

Order thereon No Y 1759-61/[illegible] 112-07-12

Dated Bangalore, 15th May 1908.

According to the first of the Government orders read above, Lt Heale, late Tutor to the Yuvaraja, was during the period of his employment in the State service entitled,

addition to a free house, to a gross salary calculated to leave him a net pay of Rs.950 a month. It is now unde stood that under this condition of his employment, he was entitled also to the free supply of furniture. Governmen therefore direct that the fixed annual charge of 5 per ce on the capital cost of furniture that has been recovered from Lt.Heale be refunded to him.

2. The Comptroller is requested to arrange for refunding the amount in question at an early date.
